Once the exchange is received, inspected, and approved based on our policy above, please allow 5-7 days for processing. During the exchange process we suggest that you email to notify us of this exchange at info@humblewag.com to ensure that we still have stock left of the size/item you are requesting.

DEFECTS

In the case that your item is damaged upon arrival, please reach out to us within twenty-one (21) days of receiving the product, in order for us to be able to replace the item.

SHIPPING

Shipping may take longer due to the impact of COVID-19 and may add additional business days to arrive. All couriers including USPS are currently experiencing delays with shipping and updating tracking information.

Custom order items can take 2-3 weeks to arrive. You do not need to purchase a faster shipping option at checkout for any items purchased as the standard shipping time above applies.

INTERNATIONAL SHIPPING

We currently ship to a few select countries - Canada and the United Kingdom. Most orders take 1-2 business days to process and leave our warehouse. Shipping costs and timeframe depends on the country. We are not responsible for shipping delays outside of our control. **Humble Wag is NOT responsible for any customs or tariff fee/import duty that may be imposed. These fees are the responsibility of the buyer and are not covered by the shipping costs.**

Shipping cost depends on your exact location and is calculated at checkout. Due to COVID, the estimation for package arrival to an

international country varies. Faster shipping options are available on the checkout page for an additional cost.
